INNER WHEEL PRAYER

Instill in us O Lord, the true meaning of friendship,
Never let us forget that we are all thy children,
Not withstanding the differences in our culture and creeds,
Endow us with a desire to serve our fellowmen,
Remembering that we too often need help.
Whensoever or wherever the need for service arises.
Help us to be ready to serve,
Endeavouring to make our badge of Inner Wheel worthwhile.
Ensuring that we have not
Lived in vain.

इनरव्हील प्रार्थना

मित्रभाव के सत्यअर्थ को हम सब में, हे ईश्वर भर दो ।
 हम सब ही है तेरे बालक भूलें ना यह इतना कर दो । ।
 धर्म और संस्कृति भेदों का मन में नहीं स्थान रहे ।
 सभी मानवों की सेवा का हमें सदा ध्यान रहे । ।
 आवश्यकता हमें मदद की हो सकती है यह याद रहे ।
 सेवा करने की जरूरतें जभी कहीं भी आन पड़े । ।
 सेवा करने को सब जन तत्पर हम सब डटे रहें ।
 'इनरव्हील' की शान बढ़ायें यह वर हमें प्रदान करो ।
 मानव जीवन व्यर्थ न जाये प्रभु यह कृपा प्रदान करो । ।

FOUNDER OF INNER WHEEL - THE VISIONARY

MRS. MARGARETTE OLIVER GOLDING

The Candle that lit the Flame of Inner Wheel

Mrs. Oliver Golding (Anne Margarette Owen) in 1923 took first step to form an Organization, which is today considered as one of the largest organizations of women in the world.

Mrs. Oliver Golding the wife of a Manchester Rotarian, was born of Welsh parentage at Hey- Brecon. She was trained as a nurse and had served during the First World War. This triggered off a deep desire to help all ailing, deprived humanity. She was an extremely capable business woman and a great

philanthropist; her chief social interest being the Manchester Girls' Orphanage and Ancoats Hospital, for

which the Inner Wheel of Manchester provided and furnished a mortuary chapel. She also did a great deal for the Girl Guide Movement, in which she held the Office of the Commissioner.

The wives of Rotarians in Great Britain and Ireland worked together with their husbands to help them in their projects and social service. As a result, the wives became acquainted with the projects and the friendship, which resulted in the club formation. In 1924 Mrs. Oliver started the First Inner Wheel Club at Manchester in England.

She formed, directly and personally, numerous Clubs and several Districts and her inspiration is remembered to this day, she successfully achieved even harder task in persuading Members to look beyond their local concerns and become part of a greater whole and serve the Society. She was versatile and dedicated.

Here was a vital personality combined with a clear brain and the ability to convey ideals to others. She was an excellent speaker and had a lively sense of humour which enriched her words. Nature has bestowed her with gift of inspiring friendship and devotion. Her greatest attribute was courage and courage was what Inner Wheel needed in the beginning. Inner Wheel was firmly established during her lifetime upon the path which it was to follow thereafter.

From the carefully preserved minutes, we come to know that 27 members were present for the first inaugural meeting of the first Inner Wheel Club in the world. The objects were clearly defined as Friendship and Service.

Her passing away on May 2nd 1939 was grievous and untimely end to a life devoted to the service of others.

*Here's to the Women!
Who is loyal to the family and friends,
Who expects no more from others,
Than she is willing to give.*

The District Chairman Speaks....

My dear friends,

Sincere Greetings of Hope to all!

It gives me immense pleasure to welcome you all to another new Inner Wheel year 2021-22 and I am honoured and grateful to be given the mandate to be the 37th District Chairman of one of the most versatile district of Inner Wheel India.

We all know that the world is facing unprecedented times. As we tread cautiously in to our new Inner Wheel term, I invite all of you to progress and flourish as we still have goals and dreams that we need to fulfill. Even though physical meetings and doing big scale projects might be difficult, let's remember that not everything achievable needs our physical presence in it. Sometimes, all it takes is the **willingness** to be a part of it!

This will be a year of renewed actions, possibilities, changes, mission, vision, horizons of hope, togetherness and strengthened joys.

As the New Year starts, a new head with her new team is announced in the Inner Wheel organization at International, Association, District & Club Level.

Each leader visions best for its association. The vision is filled with enthusiasm, energy and power for future goals.

I congratulate all the leaders who are ready to take the responsibility and carry ahead the heritage of Inner Wheel in its own spirit. I also extend my warm wishes for a commendable year of service and achievements.

opportunity to contribute in nation building.

Inner Wheel walks proudly besides all other service clubs in serving the community. Inner Wheel and its members truly support each other in everything that matters to women, our families health, the rights of the children, education, equality, ageing, environment and moreover our community.

And when women work together as members of Inner Wheel, their friendships and bond benefits.

Each one of us is unique in our own way with different talents and thought process. I have deep faith in Inner Wheel ideals of friendship and service.

I believe that collectively women can shape a better tomorrow.

I believe, "Behind every successful woman is a tribe of other successful women, who have left their foot prints..."

All of us can apply this in our lives and work together confidently for the betterment and success of our club.

All members have a vision & mission. Let us focus our attention on membership growth, extending hands, strategic efforts, efficient training and involving members to work for the problems of our country that citizens are facing.

This year 2020 has brought tremendous changes in lifestyle. Most of the population lost their job and source of income due to Covid-19. There were times of scarcity of food, resources for the needy.

I want everyone to focus on these major issues, better health facilities, education, financial aid, improved skill development, taking initiatives, providing positive ambience by bringing people together.

IIW PRESIDENT SPEAKS PINK FIRST

EBE PANITTERI MARTINES
IIW PRESIDENT 2021-22

Dear Friends,

Inner Wheel was officially born in 1924 – and its centennial anniversary is rapidly approaching – thanks to the initiative of a group of ladies who met at the Turkish Baths in Manchester and gave start to one of the most important volunteering Organisations in the world.

Since that inaugural date, IW has been tirelessly working in favour of needy human beings, mainly girls, young and old women.

The UN's 4th World Conference on women held in Beijing, China, in 1995 has brought steps forward in some areas of women's and girls' lives but poverty, discrimination and violence are still strongly present in their lives.

The UN 2030 Agenda clearly states that gender equality and the empowerment of all women and girls is the catalyst for the achievement of all sustainable development goals.

The Under Secretary General and UN Women Executive Director Phumzile Mlambo Ngcuka declared that "One half is an equal share and only equal is enough".

Women helping women, then, is the orientation of my IIW's Presidential Theme 2021-2022 "PINK FIRST".

I'd like to share with you some ideas on how we, Inner Wheel members, can give our valuable contribution to achieve more just and equal societies.

What we think, we become

There will be four areas of attention:

- Health;
- Education;
- Opportunity;
- Empowerment.

Health focus will be centered mainly on extending healthy life expectancy and ending gender-based violence.

Education focus can leverage on inclusiveness and quality education: improving female literacy rate expands their employment outcomes, decreases the number of early marriages and improves their health and well-being. Another field of action will be harnessing new technologies for digital gender equality and enhancing Science Technology Electronics Mathematics (STEM) studies for women.

Opportunity will focus on:

- increasing women participation in labour force, helping them to get a job or starting a business;
- recognizing and valuing unpaid care and domestic work by providing public services, infrastructures and social protection policies as nationally appropriate;
- asking for wage equality;
- striving for ending of occupational segregation.

Women **empowerment** can be done through:

- Ensuring women's participation and equal opportunities for leadership at all levels of decision-making in political, economic and public life
- Encouraging women to take decisions on their own health care, own earnings and investments;
- Improving financial inclusion and economic awareness;
- Supporting women movements and leadership.

I trust in all and each of us to give our contribution to the promotion of women's rights, to help women reach gender equality and to fill the gap, through True Friendship, encouraging the ideals of Personal Service and fostering International Understanding.

Thank you for your contribution.

In Inner Wheel and personal friendship

Message of ASSOCIATION PRESIDENT

My dear friends in Inner Wheel,
Support - Stand - Care for each other in these tough times.
Inner Wheel is an organization to create friendship, service and understanding. A global network that strives to build a world where people unite and take action to create a lasting change.

We connect passionate people with diverse perspectives to exchange ideas, forge lifelong friendships, and, above all, work towards improvement in the lives of the needy. Service above Self is our principal motto which aims to bring together members in order to provide volunteer humanitarian services,

maintain high ethical standards, and help promote goodwill and peace in the world.

I am delighted to know that you are going to publish District's Directory with details of all the executives leading the District and the clubs; I know the outcome of the directory will be nothing short of excellence.

"Teamwork is the secret that makes common people achieve uncommon results"- and for that it is important to know each member in your core team who can deliver results, and this becomes super easy by having a good Directory by your side to reach them. A well-organized Directory is an excellent way to emphasize the benefits of membership, to keep in touch with each other and encourages member's interaction and their participation with a calendar of upcoming events such as seminars, conferences, and social activities. Directories are a great way to highlight the club's history including information on your past stalwarts and its vision for the future. It helps members to develop new friendships, communicate, exchange ideas, formulate teams to undertake projects to serve the society.

Today in the fast-growing virtual world, it is advisable to circulate a soft copy of the Directory also which can be more handy, easily accessible and less time consuming for everyone to keep a track on dates, events and schedule of all the activities. A mobile friendly directory enables each one of us to smoothly navigate and find all the essential information with just a **click**.

I wish to see increased visibility of your club's activities online through your website and social media platforms. Together we shall connect the world.

Synergizing is the need of the hour.

Growing together is the fundamental of our fraternity.

Serving together is our core strength.

Keep the momentum high to constantly accomplish our goals!!

Looking forward to an exciting and meaningful year ahead with all of you.

Message of ROTARY GOVERNOR 3262

To
Manisha Shrivastava
District Chairman IW Association 2021-22
IWD 326

Greetings !!

At the outset let me Congratulate you for taking over as Chairman of IW Dist.326 & offer you our best wishes as you continue your preparation for releasing the District Directory.

In our entire lifetime, we have not seen the IW year has gone like this year. The entire world has been severely affected with the Covid 19 pandemic and we lost many of our close friends, relatives and well wishers. Lot of jewels in both national and interntional level also left the world. Though vaccination has been started in this 2nd wave, still we have to be very careful & follow the guidelines.

The THEME of the Year 21-22 is PINK FIRST is an appropriate theme in the present scenario. All over the world like in our organization also we are giving focus to women and girls child in the RY 21-22 and lot of projects has been planned for the development of feminism.

Your association Goals for 2021-22 is really praiseworthy. Goals like STREE SHAKTI, HEALTH HYGIENE HAPPINESS, EARTH CARE, ORPHANAGES AND OLD AGE HOME ASSISTANCE will have a very good impact on society specially those are needy and down trodden.

We are sure you will continue on making clubs more effective so that they serve the community to change lives, Increase membership and strengthen the Inner Wheel Association.

With best wishes and regards to you to Your Team members and Sir.

Santanu Kumar Pani

District Governor
RY 21-22, RID 3262
