--	---

There is no force more powerful than a woman determined to rise.

Daughter of Shri R N Mathur and Smt Rita Mathur, belongs to an affluent and renowned businessman family in Delhi. Her father is a mechanical engineer and mother holds a masters degree in Sanskrit.

She has always put her best foot forward during her schooling at National Public School Delhi. Stepped in forward she did her bachelor's degree in Commerce from Dayal Singh College under the aegis of the renowned Delhi University. After her graduation, following the legacy of educated parents, she enrolled and did her masters in economics from Uttar Pradesh. Interaction with people and seeking knowledge further persuaded her to do her Bachelors in Education from Allahabad. After marriage also she continued her journey for studies and completed the degree of Law from Pandit Ravi Shankar Shukla University, Raipur.

Apart from being a bright student her interest always prevailed in cultural activities like dancing, dramatics, social work activities etc.

When she got married and joined as a new member of the house, her inclination towards service motto was perfectly matched with her parents-in-law Mr Rajesh Bahadur and Mrs Chitra Bahadur who are the members of Rotary and Inner Wheel Club. Mrs Chitra Bahadur is also the Past District Chairman of IW District 326. Surrender towards society has always run in the blood of the family which Rasika is still following.

She is married to a renowned and established businessman Mr Amit Bahadur. He has done his bachelor of Business Administration and is one of the acclaimed personalities of Bhilai. Futuristic in her approach, Rasika has widely traveled all over the world along with her husband to pursue their academic and business interests.

She joined the Inner Wheel club of Durg with the sheer motive of dedication towards service in the year 2004, in her glorious 18th year of service in 2023 rose from an ordinary member to the very reputed position of the District Chairman of District 326.

She has always contributed every bit of hers to the betterment of the society. She is associated with various organizations and has participated and organized events for the rights of girls, women and senior citizens. She always has her front foot forward for helping at girls for education, old age homes, downtrodden and nutritionally deprived children and women.

She also has been an ace sportswoman who always had an altruistic feeling towards animals and pets. She is always at her disposal for pets, stray dogs, injured animals, by feeding, giving them treatment and vaccination.
