District Chairman Speaks

Dear Inner Wheel Clubs
Greetings to all!!

I hope this message finds you all in good health and high spirits. As the District Chairman I am humbled and delighted to have witnessed the incredible efforts, outstanding work, and remarkable projects undertaken by each and every one of our Inner Wheel Clubs. Your dedication and commitment to making a positive impact in our communities are truly commendable.

Throughout this year, I have had the privilege of highlighting the remarkable initiatives undertaken by our clubs. From supporting educational programs to empowering women, from environmental conservation to healthcare initiatives, your collective efforts have made a significant difference in the lives of countless individuals.

I would like to take this moment to express my heartfelt appreciation to each club for the exemplary projects they have undertaken. Your selfless work and unwavering determination have not only showcased the true spirit of Inner Wheel but have also set an inspiring example for others to follow.

Your dedication has not gone unnoticed. The positive feedback from the communities you have touched is a testament to the meaningful impact you are making. Your projects have not only brought smiles to faces but have also brought hope and light to those in need. Your acts of kindness have helped build bridges and fostered a sense of unity among people from diverse backgrounds.

As we celebrate your achievements, I also want to extend my sincere gratitude to all the members who contributed their time, skills, and resources to make these projects successful. Your passion and enthusiasm have played a pivotal role in driving change and transforming lives.

But let us not rest on our laurels. The world around us is constantly evolving, and there are still many challenges to be addressed. I encourage each club to continue pushing the boundaries and exploring new ways to make a difference. Your potential is limitless, and I have no doubt that with your dedication, creativity, and teamwork, you can accomplish even greater things in the coming year.

As we move forward, let us remember that we are part of a bigger family - The Inner Wheel Organization. Together, we can amplify our impact and create a ripple effect of positive change in our communities and beyond.

Once again, thank you for your exceptional work, and please know that your efforts are valued and cherished. As your District Chairman I am here to support and share your stories, so please update your future projects and endeavors.

Editorial

My Dear Trailblazers,

Warm Inner Wheel Greetings.

I feel blessed to have got opportunity to be the Editor of our Vibrant District and got to showcase the exemplary works and achievements to the world out there.

As we enter a new Centenary Inner Wheel Year, I wish you all to shine the brightest and create "SHINE A LIGHT" in the lives of the less privileged.

From this year we are introduced to Association Website (<https://innerwheelindia.org>) which is a step towards going paperless and have digital presence for a wider audience.

Maintaining the information on the website will allow clubs to access their highlighted activities for years to come. So, let's bring to play by actively participating and capturing our Inner Wheel moments in the website forever.

Please Note that every Club has to upload their Projects, Activities and Important Events in the prescribed format, for which you have to be Tech-Savvy by attending the Master Class organized by Association and Technical Partner team.

July month was full of Events & Projects, and I am overwhelmed by your participation with enthusiasm and great dedication towards the society.

This year we have decided to showcase your Projects every month through E- Bulletin RACHITA. Basically your sensitivity towards the Environment was noteworthy .

TRAILBLAZER- Vertical- Z : Zest for Zero Waste was given priority along with other projects.

You can find the glimpses of your Projects done this month of July.

Yours in Inner Wheel,
Puspa Harichandan

Acknowledgement

Thank you so much for the immeasurably valuable work you all have done this month for the society. We have not thanked you enough, and want to let you know that your dedication is essential to the work we do. You bring ideas, positive energy and a beautiful intensity.

We believe that we can brighten the lives of the less privileged by treading in our path as 'TORCHBEARERS' thus justifying this year IIW Theme "SHINE A LIGHT". We must believe that we are gifted for something and this thing must be attained.

So, dear TRAILBLAZERS gear up and we hope you will be participating in different projects in the coming months and support us to bring out the E- Bulletin RACHITA in the upcoming months.
